**Puma Energy Caribe LLC (PRD000632182)**

Dear Mr. Wallace:

This letter is to officially respond to the Freedom of Information Act (FOIA) request referenced above regarding documents pertaining to Puma Energy Caribe LLC (Puma) facility, formerly known as Caribbean Petroleum Refining (CPR) Corporation, located in Bayamón, Puerto Rico. As the current Resource Conservation and Recovery Act (RCRA) Corrective Action Project Manager, I have access to the documents pertaining to Puma/CPR RCRA compliance history. These are located at our Guaynabo, Puerto Rico office. Our records indicate that we have documents pertaining to:

- All Correspondence
- RCRA Notification/Permit Application
- Part B Permit Application
- RCRA Compliance & Enforcement (C&E)
- Groundwater studies (GW)
- RCRA Facility Assessment (RFA)
- RCRA Corrective Action Order (CAO)
- RCRA Facility Investigation (RFI)
- Interim Measures (IM)
- Corrective Measures Studies (CMS)
- RCRA Corrective Action Environmental Indicators (EI)

Some of these documents are in electronic format, especially those dated after 2003. Due to the voluminous nature of our files for this site, it is advisable that you should contact EPA at your earliest convenience to discuss further which documents you might be interested in. It is also advisable to arrange a visit to our office to review our files. Please be noted that there may be a charge for searching and duplicating the requested information.

If you have any questions regarding this information, please contact me at (787) 977-5856 or through electronic mail at [cuevas.david@epa.gov](mailto:cuevas.david@epa.gov).

Sincerely yours,
